

# Product Data Sheet

|                    |                  |
|--------------------|------------------|
| Code:              | LIFE-2835-120L   |
| LED Type:          | SMD 2835         |
| Input Voltage:     | AC 110-220V      |
| LED QTY:           | 120 PCS/M        |
| PCB Type:          | 2 oz             |
| Lumen/ Meter:      | 1500             |
| Power/ Meter:      | 11W              |
| Cuttable Segments: | 500mm            |
| CRI:               | >80              |
| Dimension:         | UP to 50000*12mm |
| Mounting:          | Clips            |
| IP Grade:          | IP67             |
