

# Product Data Sheet

## DIMENSION

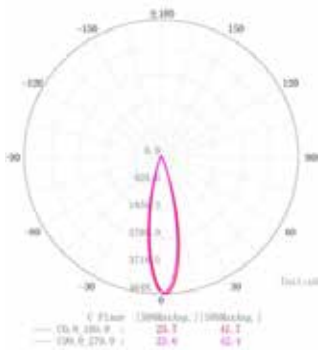

Unit: mm

COLOR:  Sand black

|                    |                                                            |
|--------------------|------------------------------------------------------------|
| Code:              | LIFE-MG-12TR / SM                                          |
| Power:             | 12W                                                        |
| LED Chip:          | bridge lux                                                 |
| CRI:               | >90                                                        |
| CCT:               | 3000K/ CCT                                                 |
| Net Weight:        |                                                            |
| Body Material :    | Aluminium                                                  |
| Input Voltage :    | DC48V                                                      |
| Luminous Flux:     | 1015±5%lm(3000K)                                           |
| Adjustable Angle : | 0°- 90°Vertical Aiming Tilt<br>0°- 350°horizontal Rotation |
