

# Product Data Sheet

DIMENSION  
Unit: mm

|                |                            |
|----------------|----------------------------|
| Code:          | SIMA-CC-600                |
| LED Watt:      | 50W                        |
| Luminous Flux: | 5000LM                     |
| CRI:           | >=80                       |
| CCT:           | 3000K+4000K+6000K          |
| Power Factor:  | >0.9                       |
| Beam Angle:    | 120°                       |
| Material:      | PC Housing + Metal Bracket |
| Body Color:    | White / Black              |
| IP Grade:      | IP20                       |
| Driver:        | Built in                   |
| Lifetime:      | 30,000HRS                  |
| Voltage:       | AC85-277V 50/60Hz          |
