

# Product Data Sheet

## DIMENSION

Unit: mm

|                |                                                                                             |
|----------------|---------------------------------------------------------------------------------------------|
| Code:          | STYLE-PIXEL-12-3K                                                                           |
| LED Watt       | 24W                                                                                         |
| LED Chip:      | SMD      |
| Luminous Flux: | 2400lm                                                                                      |
| CCT:           | 3000K                                                                                       |
| CRI:           | 90                                                                                          |
| Beam Angle:    | 36°                                                                                         |
| Material:      | Aluminum                                                                                    |
| IP Grade:      | IP20                                                                                        |
| Voltage:       | 180-265V                                                                                    |
| Cut Size:      | 365 * 35 mm                                                                                 |
| COLOR:         |  White |
