

# Product Data Sheet

## DIMENSION

Unit: mm

|                |                          |
|----------------|--------------------------|
| Code:          | ROCK-2-10W-WW            |
| LED Watt       | 10W                      |
| LED Chip:      | LUMILEDS                 |
| Luminous Flux: | 1295                     |
| CCT            | 3000K                    |
| Beam Angle:    | 80° X 145°               |
| Power Factor:  | >0.9                     |
| Material:      | Aluminum + Optical Glass |
| IP Grade:      | IP65                     |
| Voltage:       | AC100-240V               |
| Housing Color: | Black                    |
